

Clear Waterways Organization (CWO)

May 18, 2014 REPORT: TO INFLUENCE AND ENCOURAGE
PACKAGING ALTERNATIVES

CWO proposes to contact companies to influence and encourage alternatives to petro-based convenience packaging usage in the sale of their products. CWO, intends to offer ideas in order to reduce the use of one time use plastics like: straws Styrofoam, bottle-caps and cigarette butts

CWO, will provide updates on companies thinking about or adopting alternatives in their packaging source.
