

CLEAR WATERWAYS ORGANIZATION (CWO)

May 18, 2014 REPORT: PROPER DISPOSAL OF DOG POOP BAGS

CWO, contacts the public directly helping to improve upon dog owners responsibility in the disposal of their dog poop bags (Mutt Mitts). CWO, intends to reach a wider audience by educational articles, reports, media/website, and hopefully the public's word of mouth to help to eliminate this source of garbage pollution near our waterways and trails.

CWO, will provide updates on whether any improvement is seen on this frequently occurring issue of dog poop bags disposed of improperly.
